**MESSAGE FROM THE GOVERNOR**

The Speaker laid before the House, and had read the following message from the Governor:

May 21, 1941.

To the Members of the Forty-seventh Legislature:

The widespread publicity given to the terrible booze conditions adjacent to our Texas Training Camps caused by the House of Representatives overriding my veto on an emergency liquor enforcement appropriation has aroused and alarmed the mothers throughout the Nation who have their sons in training camps here in Texas. The letters pouring in to me from mothers who listen to my regular weekly radio broadcasts dedi-

cated to the boys in training camps are touching. The anxious mothers love their boys and it has been a great sacrifice for them to give up their sons, and they now have the additional worry of hearing that terrible booze conditions surround them. Of course, most of these letters come from mothers in dry sections, and they are proud to think that they have put in so many years of their lives rearing their sons in dry sections, where they have been relatively free from the environment of the liquor evils; and then they were so proud to see their fine sons march off to train for the defense and preservation of our Nation, and now this alarming news comes to them that the booze conditions surrounding our Texas Training Camps are so deplorable that one hundred Members of the Texas House of Representatives have voted to appropriate the sum of Thirty-four Thousand, Eight Hundred (\$34,800.00) Dollars in a desperate effort to try and control the deplorable booze conditions.

For some time I have realized that the booze conditions around our Texas Training Camps were becoming so demoralizing at such a rapid rate, that no mere emergency appropriation of money could possibly stop the evil, and before I vetoed the appropriation I was working on a bill that would definitely put an end to these deplorable conditions. The bill which is attached hereto is patterned after one enacted by the Texas Legislature in 1918, when almost identical conditions prevailed, and as it solved the problem then, so should it solve the problem now much more effectively, and at considerable less expense than the appropriation the House of Representatives has passed over my veto.

It does not seem fair to me to see these splendid young men make the great sacrifices they are making to defend this Nation, and then come to Texas and be subjected to living close to such deplorable booze conditions as has been described to this Legislature by men who are supposed to know what the conditions are, and especially is this unfair to the splendid young men who have been born and raised in dry territory where such conditions do not prevail. It

appears to me that this State of Texas should cooperate with the Federal Administration while it is bending every effort to train and equip an army of clear-thinking and clean-living young men to defend our Democracy, and the best way for us to cooperate, in my opinion, is to completely eliminate all liquor for a distance of at least ten miles around every Camp in Texas, instead of merely trying to control the booze traffic, in those areas.

In this time of National stress I feel that we owe a greater debt to these fine young soldiers, and their devoted mothers, than we owe to the big wealthy booze-dealing gang that would sell our Democracy down the river in America just like they did in France, merely for the profit they are trying to wring from our soldier boys.

I am glad this matter has taken the course it has, because it proves that the number of Members of the House of Representatives who really want to wipe out this evil, is constantly increasing, as there are now one hundred Members who want these conditions corrected. I trust you will agree with me that the most effective and economical way to correct these conditions is to pass this bill attached, which I am submitting as an emergency matter, and urging its immediate enactment.

Respectfully submitted

W. LEE O'DANIEL,  
Governor of Texas

medicine as his principal or usual calling, or who is in any way, directly or indirectly, engaged in the sale of such stimulants on his own account or as the agent, employee, or partner of others, shall not be authorized to give the prescription provided for in this article; and provided, further, that no person shall be permitted to sell more than once on the same prescription, nor upon a prescription which has been cancelled, nor on a prescription which is not dated, signed and certified as above required; provided, that every person selling such stimulants upon the prescription herein provided for shall cancel such prescription by endorsing on it the word "cancelled," and file the same away, and on the first day of July, 1941, and every month thereafter, file a duplicate of the said prescription with the clerk of the district court accompanied by an affidavit stating that he has sold no intoxicating liquor other than that named in the prescriptions filed, which said prescriptions shall be preserved by the clerk of the district court for a period of three years from and after the date of filing, subject to the inspection of the grand jury, district, county and precinct officers; provided that the preceding article shall not apply to the sale of ethyl alcohol in quantities of one gallon or more by or to any person, firm or corporation engaged in the wholesale drug business, or by, or to any owner, proprietor, agent or employee of any retail drug store, whether incorporated or unincorporated in which drugs are compounded, and employing a registered pharmacist for the purpose of being used in such retail drug business; provided further that every such person, firm, or corporation shall have first paid the taxes and procured the license required by the laws of Texas, and have complied with the law regulating such sales in local option territory.

Sec. 6. From and after June 15, 1941, it shall be unlawful for any judge, tax collector, county clerk, or person in authority, to issue any license or permit of any kind authorizing or permitting any person or firm to engage in the business of selling, bartering or exchanging, spirituous, vinous, or malt liquors, or med-

icated bitters capable of producing intoxication or to give or deliver such liquors, in the zone or territory within ten miles of any part of the land or buildings occupied or controlled by the United States Government, or any department thereof, or by the State of Texas, and used as a fort, arsenal, training camp or aviation field, or school where soldiers, sailors, marines or aviators of the United States Army or Navy, or the Texas National Guard, are being held, quartered, drilled or trained for service in any branch of the United States Army or Navy or the Texas National Guard, except as herein provided.

Sec. 11. Whereas, there are many points in Texas where soldiers, sailors, marines, and aviators are being trained for service in the army and navy of the United States, near which liquor is being sold to the great injury and detriment of the morale and efficiency of said troops, there exists an emergency and an imperative public necessity that the Constitutional Rule requiring bills to be read on three several days be suspended, and that this Act become effective from and after June 15, 1931, and it is so enacted.

By Bruhl:

H. B. No. 405,

A BILL

To Be Entitled

An Act amending the "Lower Colorado River Authority Act", Chapter 7, Acts of the 4th Called Session of the 43rd Legislature, by adding thereto a new section following Section 3 to be known as Section 3a to provide that every director appointed to the Board of Directors of the Lower Colorado River Authority shall be a resident of and freehold property tax payer of the county from which he is appointed and shall have been such resident of and freehold property tax payer in such county for not less than two (2) years next preceding such appointment; providing that not more than one (1) of such directors shall be residents of the same county and that all such directors shall be appointed by the Governor with the advice and consent of the Senate; providing further that of the board of nine (9) directors, provided for in Section 3 of said Act, at least six (6) of said directors shall at all times be resident citizens of the counties named in Section 1 of said Act; providing that present directors may continue in office until their terms expire, and shall be eligible for reappointment; and declaring an emergency.

Be it Enacted by the Legislature of the State of Texas:

Section 1. That Chapter 7 of the Acts of the 4th Called Session of the 43rd Legislature, known and cited as the "Lower Colorado River Authority Act" be and the same is hereby amended by adding thereto a new section following Section 3 to be known as Section 3a and to read as follows:

Sec. 3a. From and after the effective date of this Act, every director appointed to the Board of

Directors of the Lower Colorado River Authority shall be a resident of and freehold property tax payer of the county from which he is appointed and shall have been such resident of and freehold property tax payer in said county for not less than two (2) years next preceding such appointment; providing that not more than one (1) of such directors shall be residents of the same county and all such directors shall be appointed by the Governor with the advice and consent of the Senate; provided that of the board of nine (9) directors provided for in Section 3 of this Act, at least six (6) of said directors shall at all times be resident citizens of the counties named in Section 1 of the "Lower Colorado River Act".

Sec. 2. That Section 7 of the Acts of the 4th Called Session of the 43rd Legislature, known and cited as the "Lower Colorado River Authority Act" be and the same is hereby amended by adding at the end of the first sentence of Section 3 of said Act the following:

"Provided that at all times at least six (6) of the nine (9) directors comprising the Board shall be resident citizens of the counties named in this Act."

Sec. 3. It is expressly provided, however, that nothing herein shall be construed to prevent the present membership of the Board of Directors of the Lower Colorado River Authority from continuing as such until the expiration of their respective terms of office, or affect the eligibility of the present members from reappointment.

Sec. 4. The fact that under the present law the Directors of the Lower Colorado River Authority may be appointed from any county in the State, and the fact that many counties in the State are not situated within the watershed of the Colorado River, or adjacent to the Colorado River, and the fact that it is desirable that a majority of the Directors of the Authority be residents of such district and be appointed by the Governor with the advice and consent of the Senate, creates an emergency and an imperative public necessity that the Constitutional Rule requiring bills to be read on three several days in each House be sus-

pending, and said rule is hereby suspended, and this Act shall take effect and be in force from and after its passage, and it is so enacted.

On motion of Mr. Bruhl the report was adopted by the following vote:

#### AUTHORIZING THE LOAN OF CERTAIN HIGHWAY EQUIPMENT

The Chair laid before the House, for consideration at this time, the following resolution:

S. C. R. No. 62, Authorizing the Loan of Certain Highway Equipment.

Whereas, It will be necessary and important to said Carney Independent School District to fence the grounds of the Park and recreational center; and

Whereas, It will be a great accommodation to such Carney Independent School District, if said Highway Department permitted said Carney Independent School District the use of the discarded wire hereinabove mentioned for the purpose of fencing the grounds; now, therefore, be it

Resolved by the Senate, the House of Representatives concurring, That the State Highway Department of Texas be authorized to loan to the Carney Independent School District, sufficient quantities of the discarded wire hereinabove mentioned for the purpose as hereinabove set out, said Carney Independent School District to return the wire upon request of the State Highway Department, and it is so resolved.

The resolution was read second time and was adopted.

Mr. Hartzog (present), who would vote "yea," with Mr. Eubank (absent), who would vote "nay."

The Speaker then laid before the House, on its second reading and ~~passage to third reading.~~

S. B. No. 163, A bill to be entitled "An Act providing for the regulating appropriations from moneys in the State Treasury not otherwise appropriated, to supplement local funds for the support, maintenance, operation, and improvement of the Public Junior College of Texas, etc.; and declaring an emergency."

The bill was read second time.

Mr. McDonald offered the following committee amendment to the bill:

Amend Senate Bill No. 163 by adding after the words Junior Colleges on page 1 the following: ~

"It is further provided that each Public Junior College, to be eligible for and to receive a proportionate share of this appropriation, must first levy a local tax sufficient to raise fifty (\$50.00) dollars per student; it is further provided that each Public Junior College shall charge a tuition fee of not less than fifty (\$50.00) dollars and not more than one hundred (\$100.00) dollars for each student enrolled. Before any funds appropriated under the terms of this Act shall be disbursed by the State Treasurer, each Public Junior College named herein shall submit to the State Treasurer and the Comptroller of this State, on forms furnished by the Comptroller of Public Accounts, a detailed statement setting forth the taxable valuation of the district, the tax rate of said district, the number of students enrolled as of November 1 in any fiscal year, and the amount of tuition charged.

Said information set forth shall be sworn to and shall be filed with said officials before any allocation is made to any of said Public Junior Colleges.

Mr. Craig raised a point or order on further consideration of Senate Bill No. 163, on the ground that the bill attempts to amend an existing statute without repealing that section.

The Speaker overruled the point of order.

Question: Shall the Committee Amendments be adopted?

#### GENERAL PROVISIONS

Section 2. For the purpose of partially paying the amounts of the items specified herein for the Austin State Hospital, State Orphans Home, Texas School for the Blind, and Texas School for the Deaf, there are hereby appropriated the interest on all securities held by these several institutions, and any balances remaining at the end of any fiscal year in the Available Lunatic Asylum Fund, Available Orphan Asylum Fund, Available Blind Asylum Fund, and Available Deaf and Dumb Asylum Fund; and said interests and balances shall be transferred by the State Comptroller and State Treasurer to the General Revenue Fund, either annually or semi-annually. Properly to permit these transfers there are hereby appropriated out of the General Revenue Fund to the said respective available funds as appear due to said funds Fourteen Thousand, Three Hundred and Fifty (\$14,350.00) Dollars for interest accruing in the fiscal year ending August 31, 1942, and for the same purpose the sum of Fourteen Thousand, Three Hundred and Fifty (\$14,350.00) Dollars for interest accruing in the fiscal year ending August 31, 1943.

Section 3. The expenditure of the appropriations herein made shall be subject to the following provisions:

Annual Reports. (a) A report shall be made annually by the superintendent or head of each institution and filed with the State Comptroller and a copy with the Board of Control before November the first after the close of each fiscal year, giving an itemized statement of all moneys expended and the particular appropriations or fund from which said money was expended, including an itemized statement of all purchases or outstanding contracts remaining unpaid at the close of the fiscal year; also

a statement showing the full amount of money received from all sources and any balances.

(b) The head of each institution or agency shall keep a record of the absences of the various employees, the reasons therefor, whether from sickness, vacation or leave of absence and incorporate this information in the institution's regular annual report made to the Board of Control.

**Printing and Stationery.** All printing and stationery shall be purchased through the Board of Control and shall be confined to such articles and qualities as selected and contracted for by said Board, except certain printing provided by law to be done by several of the State Institutions. No embossed or engraved printing and stationery shall be purchased.

**Postage Stamps.** None of the money appropriated herein for postage stamps shall be spent except on warrants or checks made payable to a United States Post Office and the warrant or check shall be endorsed by the Postmaster from whom the purchase is made.

If the expenditures for postage stamps exceed Twelve Hundred (\$1200.00) Dollars for any one year, each institution shall install a Postage Meter Machine. The installation cost and rental of said machine shall be paid from the support and maintenance fund of each institution.

**Vacation Allowance.** Vacation of not exceeding twelve (12) working days may be allowed all of the twelve-month officers and employees provided for in this Act.

**Fireproof Buildings.** All authorized new buildings costing more than Ten Thousand (\$10,000.00) Dollars shall be of fireproof construction except as otherwise provided.

**Traveling Expenses.** None of these appropriations may be used for traveling outside of the State of Texas without the advance written consent of the State Board of Control, except in adjoining States in deporting non-resident inmates and return escaped inmates to institutions. Otherwise, the State Comptroller shall apply the same rules to the approval and payment of traveling expenses of all employees except the superintendents of the eleemosynary institutions as he applies to such expenses of the State Departments. Superintendents' trips shall be as authorized by the Board of Control.

Except as herein otherwise provided, no money shall be expended for travel expenses except that specifically appropriated for said purpose; provided this limitation shall not apply to travel and transportation expenses of patients, inmates and Alabama-Coushatti Indians, of Indian Reservation and Institutional employees' travel in connection with patients, inmates, pupils and Alabama-Coushatti Indians, including returning escapes, transfers, paroles, and placements of inmates and patients and transportation and travel expense of conveying Indians to and from United States Indian hospitals in Oklahoma and other hospitals or clinics in Texas, of Board of Control employees whose salaries are paid from institutional funds, and of institutional superintendents and the Indian Agent, wherein specific amounts are omitted from the itemized appropriations; and such travel and transportation expenses may be paid from support and maintenance appropriations and/or local institutional funds.

Unless otherwise specifically provided herein it is provided that any officer or employee who travels on official State business and who uses his own car while so doing shall be reimbursed for the use of said car on the basis of the total mileage traveled during any calendar month at the following rate: Five cents (5¢) a mile for the first thousand miles traveled, four cents (4¢) a mile for the second thousand miles traveled, three cents (3¢) a mile for the third thousand miles traveled, and two cents (2¢) a mile for each mile traveled in excess of three thousand miles. Before the Comptroller shall issue any such warrant for reimbursement the said officer or employee shall file an affidavit with the Comptroller showing the point of origin and the point of destination of his trip and the mileage actually traveled. If the Comptroller is of the opinion that said officer or employee did not take the shortest practical route to the point of destination and return the Comptroller shall have the authority to com-

pute the mileage of the shortest practical route between the point of origin and the destination and return, and he shall issue his warrant in reimbursement therefor on the basis aforestated.

**Additional Employees' Compensation.** When a necessity exists for additional help at any of the Eleemosynary Institutions the Board of Control shall first give to the superintendent its written approval and consent for such employment, and such help may be paid out of any local institutional receipts, including pay-patient funds, or out of support, maintenance, repair and improvement appropriations. When any additional employees, other than those for which specific salary appropriations have herein been made are employed, and are to be paid out of said non-salary appropriations or any other funds, such employees shall not be paid larger amounts than those provided in the specifically appropriated salaries for similar positions in such institutions, or agency, and in the event there are no similar positions within such institutions, then such additional employees shall not be paid larger amounts than those provided for similar positions in other state institutions, departments or agencies. In the event laborers, skilled laborers and mechanics cannot be obtained at the above mentioned salary scale, then the heads of such institutions may pay for temporary employment only not exceeding the prevailing wage scale in the localities where the temporary service is to be rendered. No additional employees may be hired without the written consent of the Board of Control.

**Audits.** None of the appropriations herein made shall be used for employing any firm, corporation or person, excepting persons regularly and continuously employed by the institutions or the State Board of Control, to audit said institutions and agencies; provided, however, that if in the judgment of the head of managing officers of any of said institutions or agencies, additional auditing is necessary and the State Auditor shall not have sufficient funds in his appropriation to make such audits, then the head or managing officers of any of said institutions or agencies may direct the State Comptroller to transfer in lump sum and add to the appropriation made for the State Auditor the amount necessary for the State Auditor to make such audits.

**Tuberculosis Sanatoria.** None of the money herein appropriated for the State Tuberculosis Sanatoria shall be used to treat any person who has not been a resident bona fide citizen of Texas for at least three (3) years; this provision shall not apply to any child born in the State of Texas.

**Perquisites of Employees.** (a) When it is provided that the family of a superintendent, officer, or employee of any of the said institutions, are permitted to live at said institution, and are to be furnished with board, fuel, lights, laundry, water, housing, or any of said items, the word "family" shall be construed to mean the immediate family of said superintendent, officer, or employee, including himself, wife and legally dependent children; and when any officer or employee is to be furnished with provisions not to exceed some certain amount stated, it shall be the duty of the storekeeper-accountant to charge said officer or employee with each item of provisions as furnished him, showing the price thereof; said storekeeper shall not permit the amount authorized to be exceeded, and shall make a monthly report of same to the Board of Control, and said Board of Control shall be charged with the duty of seeing that no account for such provisions exceeds the amount allowed therefore. The Board of Control may authorize one of the cooks provided in the Acts to be assigned to the Superintendent's quarters.

(b) Under written direction of the Board of Control all employees may receive board, room and laundry, except when otherwise limited.

(c) In these appropriations the Legislature has provided a fairly uniform scale of salaries for similar services throughout the institutions without, however, differentiating in the amounts to be paid employees receiving, and those not receiving room, board and laundry from the State; and to prevent inequalities in salaries to those employees not receiving any or all of such perquisites it is provided that the Superintendent, upon the written approval of the Board of Control may adjust such employees'

salaries out of the respective support and maintenance appropriations by not exceeding Twelve (\$12.00) Dollars per month each. More easily to adjust such items proper transfers from support and maintenance to salary appropriations may be made annually or more often.

Salaries and other General Provisions. (a) All annual salaries shall be paid in twelve (12) equal monthly installments except as otherwise herein provided.

(b) If any position for which a salary is herein fixed shall not be filled then such salary shall lapse into the State Treasury. No position with a fixed salary shall be supplemented or be paid more than such specific amount out of any other funds belonging to said institution of the State; provided, that this language shall not be construed to prevent promotion or the transfer of one employee from his or her position to another position which provides a different salary, but it is specifically made the duty of the Superintendent, to transfer employees to other positions when it is possible to secure more efficiency. No salary shall be paid to any person unless such person actually discharges assigned duties. Provided that one salary at the Galveston State Psychopathic Hospital and any vocational instructional positions at the eleemosynary institutions conducting schools may be partly paid or supplemented in amounts in writing by the Board of Control out of Federal or State appropriations or allocations made through educational agencies.

(c) The amounts appropriated in this Act are intended to cover and shall cover the entire cost of the items, and shall not be supplemented except as otherwise provided. It is especially provided hereby that all contracts and undertakings entered into, under and by virtue of the terms hereof, for specific improvements, enlargements, and repairs on buildings and grounds, and for the construction of new buildings, shall be made strictly within the limits and terms of the appropriations made for such purposes, and it shall be the duty of the Board of Control, in the consideration and adoption of plans, specifications and contracts therefor, not to exceed such appropriations, nor to incur any obligations in excess thereof. It is provided, however, that the Superintendents of said institutions, under the direction and upon the written approval of the State Board of Control shall be authorized to make such changes and substitutions of any amounts appropriated for maintenance, miscellaneous items, general repairs and improvements, excepting new buildings, as may be found necessary. Appropriations for buildings shall include utility connections and equipment, and buildings and improvement appropriations made for the Austin State School (Main) and for the Austin State School Farm Colony may be used at either institution by order of the Board of Control. To provide for any further advance in the present cost of construction the Board of Control is authorized to supplement building appropriations at any of the institutions from any non-salary available appropriations or local funds by not exceeding eight (8%) per cent. The Board of Control, within their discretion, may have all plans prepared, bids advertised and contracts let so that the buildings may be placed under construction beginning on September 1st of the fiscal year for which the appropriations are available.

(d) Each of said institutions is hereby allowed from its support and maintenance or other appropriation a small revolving or petty cash expense fund not to exceed, at any time, Two Thousand (\$2,000.00) Dollars at the larger institutions for the purpose of making emergency payments and purchasing perishable products, and the amount allowed each institution shall be certified by the Board of Control. Also each institution operating small stores, industrial or occupational departments, including the Dairy Products Plant at the Austin State Hospital, are hereby allowed revolving cash expense funds out of the respective institution's industrial or occupational deposits or receipts for the purpose of making emergency expenditures necessarily incurred in connection with the institution's industrial, occupational and other necessary activities, in amounts not to exceed Three Thousand (\$3,000.00) Dollars at the larger institutions except not exceeding Six Thousand (\$6,000.00) Dollars at the Austin State

Hospital's Dairy Products Plant, and not to exceed One Thousand (\$1,000.00) Dollars in the smaller institutions, the amount for such purposes to be certified by the Board of Control.

(e) In order that better trained and more capable physicians may be secured and retained in the State service, the institutions for the insane, with the Board of Control's approval, may classify the physicians on the staff as "Senior" and "Junior" Physicians; and pay the Junior Physicians not exceeding \$2,400.00 per year, and the Senior Physicians who have had two years experience as a physician or surgeon in State or Psychopathic institutions, \$2,500.00 per year for the third year's service, and \$2,600.00 per year for the fourth year and additional years service; and with the other emoluments provided herein. This shall not apply to physicians with administrative and other duties whose salaries may be specifically appropriated for larger amounts.

Revolving Fund and Institutional Receipts.
